UNDERTAKING/SELF DECLARATION

Respected Sir

I have gone through and understood the COVID-19 guidelines and protocols, pertaining to commencement of physical classes in the Institute. I state that I am aware that it is entirely voluntary for me to come to the Institute and that I am doing so of my own free will, having understood the risks inherent in commuting to, and attending classes at the Institute in the current Covid-19 Pandemic.

I understand that if I am found to have given wrong information in the declaration below or not following precautionary advisory issued/ will be issued after on reaching at the institute I will be liable for disciplinary action and will not be allowed to attend classes.

I declare that:

- I am not having fever, cough and breathing problem (14 days prior to date of my travel).
- In case of COVID-19 like symptoms, I shall not come to the Institute until such time that I have been free of Covid-19 symptoms for a minimum period as stipulated by the Govt.
- None of my family members where I was living, is suffering from fever, cough and breathing problem 14 days prior to my travel date. None of my family members were diagnosed with COVID-19 in last four weeks.
- I will wear face mask as well as any other prescribed protective gear and maintain physical social distancing in my class room/ Practical Labs/ academic area/ hostels and in Institute campus.
- I will regularly wash my hands with soap and water for at least 40 seconds or clean them with alcohol based sanitizer for at least 20 seconds.
- I will use Aarogya Setu App on my mobile and it will remain active at all times (through Bluetooth)
- I will self-monitor my health every day after I return to the Institute. In case, I develop fever, cough, flu-like symptoms and/or breathing problem then I will inform about it to my Class teacher/Warden.
- I understand that there is always a possibility of getting infected by the virus. My parents/ guardians are also fully aware of my wish to return to the campus.
- However in case of CoViD-19 infection I may require isolation, treatment and/or hospitalization outside the campus, for which government laid down protocols and costs apply. It is highly possible that for Covid positive cases State/central Govt and local administration may insist on shifting to Govt. isolation facility.
- No leave/weekend leave will be considered during period of physical classes.
- I declare that without prior approval, I will not leave the college campus in any case.
